EDUCATIONAL
PHILOSOPHY

Texas School for the Deaf believes that all children from birth through age 21 deserve a quality language and communication-driven educational program that fosters social and emotional growth and the positive identity necessary to become a well-rounded individual.

EDUCATIONAL
MISSION

Texas School for the Deaf (TSD) believes that all students should have the opportunity to learn, grow, and belong in a language-rich environment that promotes ASL and English allowing them to reach their full potential.

VISION

TSD aspires to be a premier leader in bilingual education that challenges each student to reach their full potential.

CORE BELIEFS

Education is a responsibility shared by the students, family, school and community.

The development of a whole person socially, physically, intellectually, culturally, and emotionally is imperative to a positive self-identity, self-worth, and lifelong success.

American Sign Language and English are woven into the fabric of TSD life building healthy Deaf identities and positive self-worth.

An Interdisciplinary curriculum that integrates technology in academically engaging learning environments prepare students to become critical thinkers, collaborators, and decision makers.

Outreach services provide resources and support to the state's deaf and hard of hearing students, their families, and the professionals that serve them.

Treating students and staff with dignity and respect in an inclusive community that values diverse abilities, needs, and interests is crucial to creating a healthy and productive environment.
