

CONTRACTED SERVICES  
CRIMINAL HISTORY

CJA

CRIMINAL HISTORY — IN GENERAL Before entering into a contract with the School, a person or business must give notice to the School if the person or an owner or operator of the business has been convicted of a felony. The School may terminate a contract with a person or business if the School determines that the person or business failed to give such notice or misrepresented the conduct resulting in the conviction. The School must compensate the person for services performed before the contract terminated. *Education Code 44.034*

DEFINITIONS “Continuing duties related to contracted services” are work duties that are performed pursuant to a contract to provide services to the School on a regular, repeated basis rather than infrequently or one-time only.

‘CONTINUING DUTIES RELATED TO CONTRACTED SERVICES’  
‘COVERED CONTRACT EMPLOYEE’

A “covered contract employee” is an individual who:

1. Is employed or offered employment by a service contractor or a subcontractor of a service contractor, is an individual independent contractor of the School, or is an individual subcontractor of a service contractor;
2. Has or will have continuing duties related to the contracted services;
3. Has or will have direct contact with students; and
4. Is not a student of (or enrolled in) the School for which the services are performed.

‘DIRECT CONTACT WITH STUDENTS’

“Direct contact with students” is the contact that results from activities that provide substantial opportunity for verbal or physical interaction with students that is not supervised by a certified educator or other professional School employee. Contact with students that results from services that do not provide substantial opportunity for unsupervised interaction with a student or students, such as addressing an assembly, officiating a sports contest, or judging an extracurricular event, is not, by itself, direct contact with students. However, direct contact with students does result from any activity that provides substantial opportunity for unsupervised contact with students, which might include, without limitation, the provision of coaching, tutoring, or other services to students.

‘CONTRACTING ENTITY’

A “contracting entity” is an entity that contracts directly with the School to provide services to the School. However, when conducting an investigation or intervention regarding an alleged crime or act of child abuse on a school campus, a law enforcement agency or the Department of Family and Protective Services is not a contracting entity, and the investigator or intervener is not a covered contract employee.

‘SUBCONTRACTING ENTITY’

A “subcontracting entity” is an entity that contracts with another entity that is not the School to provide services to the School, open-enrollment charter school, or shared services arrangement.
