

Trauma Informed Care Program

TSD's trauma-informed care program, as included in the District improvement plan, shall provide for the integration of trauma-informed care practices in the school and residential environments, including increasing staff and parent/family awareness of trauma-informed care, implementation of trauma-informed practices and care by TSD and campus staff, and providing information about available counseling options for students affected by trauma or grief.

Training

TSD shall provide training in trauma-informed care to TSD educators as required by law and the Board-approved District professional development plan. The District improvement plan shall recommend required training for any other TSD employees as applicable.
