**SOCIAL EVENTS**

All School sponsored social functions shall be under the direction of an assigned administrator approved by the Superintendent.

Social activities shall be controlled by the following guidelines:

1. All activities shall have prior approval of the appropriate administrator or his/her designee.
2. All School/residential sponsored social events shall have staff supervision.
3. Student and/or staff rules of conduct shall be applicable to all social activities.

The Superintendent or designee shall develop rules and procedures concerning funding, accounts, parental and/or teacher supervision, visitor participation, location, time of activity, transportation, and other pertinent information necessary to providing a safe and orderly environment for the proposed social event.
