**About *Strong Inside*:** The inspirational true story of the first African American to play college basketball in the deeply segregated Southeastern Conference. Perry Wallace was born at an historic crossroads in U.S. history. He entered kindergarten the year that the Brown v. Board of Education decision led to integrated schools. A week after Martin Luther King Jr.'s "I Have a Dream" speech, Wallace enrolled in high school and his sensational jumping, dunking, and rebounding abilities quickly earned him the attention of college basketball recruiters from top schools across the nation, including Vanderbilt University. He courageously accepted the assignment to desegregate the SEC. The hateful experiences he would endure on campus and in the hostile gymnasiums of the Deep South turned out to be the stuff of nightmares. Yet Wallace persisted, endured, and met this unthinkable challenge head on. This insightful biography digs deep beneath the surface to reveal a complicated, profound, and inspiring story of an athlete turned civil rights trailblazer.

**About the author: Andrew Maraniss** studied history at Vanderbilt University, where he also worked in Vanderbilt's athletic department as the associate director of media relations, dealing primarily with the men's basketball team. Born in Madison, Wisconsin, grew up in Washington, D.C. and Austin, Texas (Austin High School alum!), he now lives in Tennessee with his family. His first book for adults, *Strong Inside: Perry Wallace and the Collision of Race and Sports in the South*, was a *New York Times* nonfiction bestseller.
