

**FOOD SERVICES MANAGEMENT  
VENDING MACHINES**

**COC**

FEDERAL LAW	The Superintendent will be responsible for the rules and regulations regarding installation, use, control, and removal of all vending machines at TSD to ensure full compliance with policy, state purchasing laws, and federal and state regulations.
STAFF AREAS	The School may have vending machines selling snack foods and beverages, including carbonated beverages, in staff dining areas and lounges. Such machines are off limits to students at all times.
VENDING MACHINES	Vending machines shall be permitted only as provided per state and federal guidelines.
ELEMENTARY	No food or beverage vending machines shall be permitted for student use in the Elementary School.
MIDDLE SCHOOL	Beverage vending machines may be placed in Middle School for student use at the discretion of the Principal. The location of the vending machine must meet state and federal guidelines.
HIGH SCHOOL	Both food and beverage vending machines may be placed in the High School for student use at the discretion of the Principal. The location of the vending machine must meet state and federal guidelines.
