

SUPERINTENDENT The Board employs and evaluates the Superintendent.

SELECTION OF PERSONNEL The Superintendent has sole authority to make recommendations to the Board regarding the selection of all personnel. The Board may delegate final authority for those decisions to the superintendent [see SUPERINTENDENT RECOMMENDATION, below].

DELEGATION OF AUTHORITY For employees hired under one-year term contracts, the Board delegates to the Superintendent the authority to establish terms of employment not addressed in the contract document. For all other employees, the Board delegates to the Superintendent the authority to specify the terms of employment with the School.

Education Code 11.1513(c)

SUPERINTENDENT RECOMMENDATION The Board may accept or reject the Superintendent's recommendation regarding the selection of school personnel and shall include the board's acceptance or rejection in the minutes of the Board's open meeting, in the certified agenda or tape recording of a closed meeting, or in the recording required under Government Code 551.125 or 551.127, as applicable. If the Board rejects the Superintendent's recommendation, the Superintendent shall make alternative recommendations until the Board accepts a recommendation.

Education Code 11.1513

CONTRACT EMPLOYEES The Board shall approve or disapprove recommendations regarding the selection of all contract employees.

NONCONTRACT EMPLOYEES The Board delegates the final authority for the selection of noncontract employees to the Superintendent.

This authority does not apply to the dismissal of groups of non-contract employees resulting from either a "program change" or a "financial exigency" without prior Board approval.

NEPOTISM The Superintendent to whom a board has delegated final hiring authority to select personnel is a "public" official" with appointment authority for purposes of the nepotism laws.

APPLICATIONS BOARD APPROVAL

All applicants for employment shall complete their application in the School's applicant tracking system (TalentEd or similar).

Prior to Board approval for hire, the following documents must be included in the employment recommendation: college transcript(s), certification or licensure and/or testing results.

Information contained in an employment application is subject to verification.

PRE-EMPLOYMENT AFFIDAVIT

The School shall require all applicants to submit a pre-employment affidavit using a form adopted by TEA. The affidavit requires the applicant to disclose whether the applicant has ever been charged with, adjudicated for, or convicted of having an inappropriate relationship with a minor.

An applicant who answers affirmatively concerning an inappropriate relationship with a minor is required to disclose such information in the affidavit, including all relevant facts pertaining to the charge, adjudication, or conviction, whether the charge was determined to be true or false.

An affirmative answer does not preclude the applicant from being employed if the School determines, based on information disclosed in the affidavit, that the charge was false.

Failure to disclose the required information is grounds for

termination.

The School and employees are prohibited from assisting any individual who is a school employee, contractor, or agent in obtaining a new job, apart from the routine transmission of administrative or personnel files, if the School or employee knows or has probable cause to believe, that the school employee engaged in sexual misconduct regarding a minor or student in violation of the law.

This requirement does not apply if the information giving rise to probable cause has been properly reported to a law enforcement agency with jurisdiction over the alleged misconduct; and has been properly reported to any other authority as required by federal, state, or local law, including Title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.) and the implementing regulations under Part

106 of Title 34, Code of Federal Regulations, or any succeeding regulations; and:

2. The employee was charged with and acquitted or otherwise exonerated of the alleged misconduct; or

The matter remains open and there have been no charges filed against, or indictment of, the employee within four years of the date the information was reported to the law enforcement entity.

The School is not prohibited from entering into a professional services contract with a corporation, firm, or other business entity that employs a former or retired employee of the School within one year of the employee's leaving the School, provided that the former or retired employee does not perform services on projects for the corporation, firm, or other business entity that the employee worked on while employed by the School.

SALARY SUPPLEMENT
FOR "DIFFICULT TO
FILL" POSITIONS

In addition to the contract salary received during the employee's first year of employment with the school and for the purpose of reducing a vacancy in a position that is difficult to fill because of the specialized nature and the limited number of qualified applicants, the employee may be paid a salary supplement, not to exceed any salary supplement paid by the Austin Independent School District to an employee employed in a comparable position.

Education Code 30.055(b)(7)

IDENTIFYING
"DIFFICULT TO
FILL" POSITIONS

Within this policy, a position shall be identified as "difficult to fill" if the lack of availability and quality of applicants possessing the competencies required for a particular position, as evidenced by unsuccessful efforts to recruit applicants for similar positions using indicators such as offer acceptance rates, the proportion of positions filled, and the length of time required to fill similar positions, have resulted or are resulting in the inability to fill the position efficiently. The Superintendent shall use data maintained by the Human Resources Department to identify "difficult to fill" positions.

The Superintendent may approve a hiring bonus for any position identified as "difficult to fill", or may award a salary supplement in accordance with Austin Independent School District.

The School must verify employment eligibility, pursuant to the Immigration Reform and Control Act, and complete Form I-9 by the following dates:

1. Within three business days of initial hiring. If the School hires an individual for employment for a duration of less than three business days, the School must verify employment at the time of hire.

The School shall not be deemed to have hired an individual if the individual is continuing in his or her employment and has a reasonable expectation of employment at all times.

When the School rehires an individual, the School may, in lieu of completing a new I-9, inspect a previously completed I-9 executed within three years of the date of rehire, to determine whether the individual is still eligible to work.

2. For an individual whose employment authorization expires, not later than the date of expiration.

The above provision does not apply to:

1. Any disclosure that is required by federal statute. The United States Internal Revenue Code provides that the Social Security number issued to an individual for purposes of federal income tax laws shall be used as the identifying number for taxpayers;
2. Any disclosure to the School maintaining a system of records in existence and operating before January 1, 1975, if such disclosure was required under statute or regulation adopted before such date to verify the identity of an individual; or
3. Any use for the purposes of establishing the identity of

individuals affected by any tax, general public assistance, driver's license, or motor vehicle registration law within the School's jurisdiction.
